

JOB OPPORTUNITIES JOB OPPORTUNITIES JOB OPPORTUNITIES JOB OPPORTUNITIES

Check out these unique opportunities and apply

- To take Parow to the Sea.
- Create Job Opportunities in Construction for the Unemployed and Poor residing in the Northern Suburbs.
- This Museum will *no doubt* create a new level of income spin-offs for local Businessmen to reap financial benefits through this unglue project.
- You can thus become part of this exciting team in Parow and take Whalemarm to the next level! That level which will ultimately benefit our children and the masses of tourist visiting Cape Town which stands at approximately 3 million to date. Do you visualize the enormous potential to take Whale Mark to another level? Do it alone?
- If you are a company, NGO, museum, foundation or individual you can become affiliated now in Whaling, Maritime, Fishing, Aquariums, Arts & Crafts, exhibition disciplines and other exciting projects in various ways. But you've got to get clear on what is important and what is driving your giving. It is *all about focus*, which is ideally all about where your interest and concerns are seated. So, if it's about your *philanthropic passion*, we want to hear from you! So, join our passion and let's make together a passion of a difference.
- Opportunities for School Children, exist now to assist Whale Mark as part time trainee marine reporters, committee members, photography, fundraiser's, tourist guides, printing, volunteers, taxi derby, IT requirements etc. We will endeavour that everyone gets the opportunity to take part. Age is not a criteria to apply!
- To apply for any of the above please forward a covering letter or a CV, by email to info@whalemarm.org.za for attention Ken Botes.

Closing date of applications: Will be kept open for schools and companies, foundations, museums, NGO's or individuals who wishes to align itself with this project. This will be an ongoing project, not for today, but for tomorrow as well!

Job opportunities in construction: For additional information relating to these positions, visit our website www.whalemarm.org.za and let us know where your passion lies so that we can facilitate projects for you. Please remember that only applicants residing in the Northern Suburbs Area will qualify. No closing date as yet.

MARINE FUNDRAISING POSITIONS REQUIRED

Blend of Fundraiser's: *Primarily positions to be based in Cape Town. However, other provinces and International applicants will be considered.*

- Full Time
- Part Time
- Volunteers
- Students
- Companies
- Schools
- Once off
- Manager
- Administration
- Other (See Website)

Specialising in Corporate and Individual Donors.

There are generally five priorities to be real successful in Fundraising:

1. Its either very simple or self made difficult.
2. You need to ask for donations because no one gives without being asked!
3. You need to know people you have relationships or contacts with or be proactive in this field.
4. You need to have a personality that is respected, be determined, motivated and organised and the rest is history
5. Also, this may become your future destiny in exiting marine education, conservation and ecotourism for the environment and to improve the welfare of the local people through our project.
